

## ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Connect the nipple(8) to the connector(10) using the hex nut(9).
4. Install the tube (7) to the nipple (8) using the cover (6) and washer (5).
5. Adjust the socket (12). Install the sleeve (11) onto the socket (12).
6. Determine the desired height at which the pendant will be installed and select the stems.
7. Thread the wire through the stems (4). Connect the stems together and install onto the tube (7), with the longer stems connected to the tube (7) and the shorter stems closer to the canopy.
8. Connect the stems(4) to the loop(3).
9. Refer to the additional installation instructions included with the product for wiring and installation.
10. Install the canopy(1) to the ceiling using the ball nut(2).
11. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
12. Restore power to the installation point and retain this sheet for future reference.
