

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Assemble the rods (3) together using the nipples (4), then thread the bottom end of bottom rod (3) into the coupling (6) until hand tight and secure the loop (5) onto the top rod (3).
4. Use quick link to connect the loop (5) to the loop on the canopy (1) and twist the locking mechanism to secure.
5. Place glass shades (8) over the sockets (7) and rest them inside the bottom of the candle holder plates. Place glass shades (9) over glass shades (8) and rest them inside of the outer glass support arms.
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
8. Restore power to the installation point and retain this sheet for future reference.
