Linear Pendant

The Colson Collection is a transitional industrial-chic design. Ideal for lofts, farmhouses and contemporary interiors, curvaceous arms sit inside simple round frames. The collection is extensive with ceiling and wall fixtures. The ceiling hung fixtures may be purchased with or without metal mesh shades. The optional shades shield the exposed candelabra bulbs of these elemental fixtures. All wall fixtures include shades. The fixtures are available in two finishes: a soft Pewter and a dark Etruscan Bronze to suit your tastes.
